Sub.: Tracking the presence of polling agents at the polling stations on the poll day and mandatory conduct of Mock Poll and certification therein.

Sir,

The Commission attaches highest importance to the integrity of process and transparency in the election process in the ensuing Municipal General Elections to 12(twelve) Urban Local Bodies scheduled to be held on 21st September, 2013. The Commission considers that the presence of the Polling agents appointed by the contesting candidates during the poll augurs well for transparency. On the other hand, presence of the agents of only one of the candidates in the absence of other agents may lead to complaints.

In this regard, the Commission has issued the following instructions:-

1. Candidates may be advised by the Municipal Returning Officers to ensure that the agents reach the polling stations well in advance before the commencement of poll so that the pre-poll formalities such as issue of entry pass to the agents, conduct of mock poll etc., are done in time.
2. The Presiding Officers shall conduct mock poll, following the instructions, in the presence of the polling agents and prepare and sign the mock poll certificate in the prescribed format enclosed herewith.
3. The Presiding Officer shall mention the names of the agents and the candidates they represent and obtain their signatures for the purpose of record.
4. Mock poll shall be conducted normally at least 30 minutes before the commencement of actual poll. In case where even two agents of different candidates are not present, the Presiding Officer may choose to wait 10 more minutes and if the agents are not turning up even after that the Presiding Officer may conduct the mock poll for verifying the working condition of the E.V.M. and mention about that in his certificate suitably. Such mock poll

ole

process shall have to be completed before 7.00 A.M. positively, so that actual poll can commence at 7.00 A.M. sharp. The Municipal Returning Officers shall suitably brief the Presiding Officers in this respect and ensure that Polling Commences at 7 A.M. without fail.

5. The Municipal Returning Officers through the Sector Officers and using the communication link with the polling station/ mobile teams shall track the conduct or otherwise of mock poll and ascertain the mock poll status within 30 minutes. Non-confirmation of mock poll could be indicative of some problem on the part of presiding officer or the E.V.M. and hence the Municipal Returning Officers shall make immediate intervention to sort out the problem.
6. The Polling stations not having the presence of rival candidates / Election Agents or Polling Agents of recognized parties and where the mock poll had to be conducted in the absence of agents shall merit focused attention of the election machinery. Frequent visits by Sector Officers and other Senior Officers should be arranged accordingly.
7. After the completion of poll on the basis of mock poll certifications received from the presiding officers, the Municipal Returning Officers shall prepare a list of such polling stations where the mock poll had to be conducted in the absence of agents or where at the time of mock poll the agents of more than one contesting candidate were not present and special attention shall be paid to the documents received from such polling stations for proper scrutiny. The observers shall also pay their attention to this aspect.

The Municipal Returning Officers concerned may kindly be instructed accordingly and the observers may be kept informed.

Encl: As stated.

Yours faithfully,

Secretary,

West Bengal State Election Commission
