Sir,

I am directed to refer to your letter No.2255/ Pan dated 18.09.2012 and to state that the Director of Census Operation has submitted the Block-wise total population figures of Census, 2011 which is enclosed herewith along with a copy of his letter No.DDU / 14002 / Data User / 2011 / 2181 dated 18.09.2012. In the said letter it has been clarified that the areas falling under category (2) are identified as Census Town and these are shown as Urban areas in the Census records. But these Census Towns jurisdictionally falls under the respective CD Block and need be treated as rural areas for the sake of Panchayat elections.

I am, therefore, directed to request you to consider the population figure as falling under rural jurisdiction for the purpose of determination of population of the concerned Block. For determination of SC/ ST population, the growth rate of the Block shall have to be worked out on the basis of the population of Census, 2001.

Yours faithfully,

Enclo.: As stated.
