No. 1130-SEC/2B-6/2006

Dated the 23rd, April, 2012

O R D E R :

In exercise of the powers conferred by rule 39B of the West Bengal Municipalities (Conduct of Elections) Rules 1995 the State Election Commissioner, West Bengal State Election Commission hereby specifies that on every balloting unit of the voting machine, a ballot paper shall be displayed in the space meant therefore and shall contain the following particulars and be of the following design.

1. The total length of the ballot paper will be 460 mm and its width shall be 140 mm.
2. At the top, there shall be a space provided for indicating the particulars of the election and the name of the constituency, of the size 12.7 mm (length) x 140 mm (width).
3. In the space so provided, on the top left hand corner, the serial number of the ballot paper shall be printed. On the top right hand corner, the sheet number shall be printed if the ballot paper is printed on more than one sheet, where the number of contesting candidates exceeds fifteen.
4. In addition to the serial number and the sheet number, if any, the particulars of the election shall also be printed in the said space. These particulars will contain the number of the Municipal Constituency (ward), year of election, name of the Municipality and the legend "Genl" for General Elections as the case may be. Thus for the Panskura Municipality the legend to be printed will be "General Elections, 2012 to the Panskura Municipality".
5. Below the space in which the particulars of the election are printed, there shall be a thick black line of 2.1 mm.
6. Below this line, there shall be printed the serial number of each contesting candidate, his name and the symbol allotted to him, in a separate panel for each candidate.
7. The size of the panel for each contesting candidate shall be 25.4 mm (length) x 140 mm (width).
8. The panels of the candidates shall be separated from each other by a thick black line of 2.1 mm.
9. The names of the contesting candidates shall be arranged on the ballot paper in the same order in which their names appear in the list of contesting candidates.
10. The names of not more than fifteen candidates shall be arranged on one sheet of a ballot paper. If the number of contesting candidates is less than 15 (fifteen), the space below the panel for last contesting candidate shall be kept blank.

11. Where the number of contesting candidates exceeds fifteen, the ballot paper shall be printed on two sheets of the above mentioned size and dimensions if the number of candidates is between sixteen and thirty, on three sheets if the number of contesting candidates is between thirty-one and forty-five and on four sheets if their number is between forty-six and sixty. In such cases where the ballot paper is printed on more than one sheet, the names of contesting candidates from S.No.16 to 30 shall be printed on the second sheet, from S.No.31 to 45 on the third sheet and so on. If the number of candidates is less than thirty, the space below the panel for the last contesting candidate in the second sheet shall be kept blank. Similarly, blank space should be provided in the third and fourth sheets of the ballot papers.
12. On the top of each such sheet, in the space provided for indicating the particulars of the election, its number shall be indicated in bold words and letters. e.g., 'Sheet No.1'; 'Sheet No.2', etc.
13. The particulars of candidates in the ballot paper shall be printed in both Bengali and English language (The serial number of the candidate shall be indicated in the international form of Indian numerals.)
14. Serial number and the name of the candidate shall be printed on the left hand side and his symbol on the right hand side in the panel meant for him.
15. The ballot paper to be used for the purpose of voting by a voter on election duty shall be of the same design and contain the same particulars.
16. The tender ballot paper shall also be of the same design and contain the same particulars.
17. The length of ballot paper for ED and Tendered vote , where the number of Contesting Candidates is not more than 15(fifteen) shall be reduced upto the space as may be required for providing the panel for the last Contesting Candidates and below the said panel there shall be a thick black line of 2.1 mm.
18. A separate series of numbers is to be printed for the ballot papers of each ward. Each ward shall have an alphabetic code followed by a 5-digit number starting from 00001.
19. The 16th (Sixteenth) number of button of the balloting unit in respect of each Electronic Voting Machines will be kept in Masked condition.
20. The ballot papers shall be printed on crème wove paper.
