**Sub.: Report regarding Tender Votes.**

Sir,

I am directed to state that this Commission will examine the necessity for ordering re-poll in polling stations in the ensuing Municipal General Elections scheduled to be held on the 3<sup>rd</sup> June, 2012 where there will be a significant number of tendered votes cast.

I am, therefore, directed to request you to report to this Commission by 6.00 P.M. of the 3<sup>rd</sup> June, 2012 by FAX the particulars of those polling stations where the number of tendered votes recorded will reach one per cent of the total number of electors of the polling station or 10 (ten) whichever is higher. The total number of votes polled at the polling station and the number of electors assigned to that polling station should also be indicated. Even with respect to the polling stations where some persons will be waiting in the queue for casting their votes at 6.00 P.M., such report should be sent as soon as the aforsaid figure is reached. The Sector Officers and other officers visiting the polling stations at the concluding hours of poll, should collect this information for quick transmission.

The Presiding Officers may please be properly briefed, at the time of training, of the importance of the aforementioned information and the utmost necessity of reporting it as soon as possible.

Yours faithfully,

Sd/  
Secretary,
